Mobile view:

The image shows a mobile app interface for an NFT marketplace. At the top, there is a dark header with a purple icon and the text "NFT Marketplace" on the left, and a hamburger menu icon on the right. Below the header is a large, vibrant illustration of two astronauts in white suits walking on a grey, cratered surface towards a large, purple, capsule-shaped spacecraft. The background is a deep blue space with stars and smaller spacecraft. Below the illustration, the text "Create Account" is displayed in a large, bold, white font. Underneath this, a smaller white font reads: "Welcome! enter your details and start creating, collecting and selling NFTs." There are four white input fields with rounded corners, each containing a small icon on the left and text on the right: a person icon for "Username", an envelope icon for "Email Address", a lock icon for "Password", and another lock icon for "Confirm Password". At the bottom of the form is a wide, rounded purple button with the white text "Create account".
