About Me:

This is me **Abuzar Khan** pursuing a Degree of **Software Engineering** at *Pak-Austria Fachhochschule Institute of Applied Science and Technology*.

Skills:

Below is my Skills:

Cetagory	Details
Programing Languages:	C++, Java, JavaScript, React, PHP
Programing Languages:	C++, Java, JavaScript, React, PHP
Programing Languages:	C++, Java, JavaScript, React, PHP
Programing Languages:	C++, Java, JavaScript, React, PHP

01. Header Section:

- ❖ The <h2> tag displays the user's name, *Abuzar Khan*, at the center of the page.
- ❖ Contact information (email, phone number) is listed within <p> tags.
- ❖ Links to GitHub, LinkedIn, and an online portfolio are included using <a> tags with the target="_blank" attribute, which opens the links in a new tab.

02. About Me Section:

- ❖ The <section> tag is used to encapsulate the "About Me" section.
- ❖ Information about the user's academic background is provided using <p> and tags to emphasize the user's name and degree, while the university name is italicized using <i>.

03. Skills Table:

- ❖ A <table> is created with a <thead> for headers and a <tbody> for the table content.
- ❖ However, there is duplicate data in the rows of the "Skills" table, which should be corrected to remove redundancy.

Projects:

Below is my Projects:

Project	Discription	Tools
Car Rental System	This is was my first ever project in unibersity based on c++ where i create it in First Semester	VS code, Github
Car Rental System	This is was my first ever project in unibersity based on c++ where i create it in First Semester	VS code, Github
Car Rental System	This is was my first ever project in unibersity based on c++ where i create it in First Semester	VS code, Github
Car Rental System	This is was my first ever project in unibersity based on c++ where i create it in First Semester	VS code, Github

Achievements:

Some of my Achievements:

Achievements	Details
Programing Languages:	C++, Java, JavaScript, React, PHP
Programing Languages:	C++, Java, JavaScript, React, PHP
Programing Languages:	C++, Java, JavaScript, React, PHP
Programing Languages:	C++, Java, JavaScript, React, PHP

Leadership:

- I was a AI Society Media Director: 2024/2025
- I was a Adventure Club Director PR: 2024/2025
- Currently i'm a Voice President of Media Club Pafiast

Contact

Enter Your Name:

Enter Your Email:

Text Me:

© All rights reserved 2025. Developed by Abuzar Khan

04. Contact Form:

- ❖ A simple contact form is created using:
 - ✓ `<input>` for *Name* (type: text) and *Email* (type: email).
 - ✓ `<textarea>` for the message field.
 - ✓ A submit button styled with the `style` attribute.
- ❖ The form lacks a `form` element and an `action` attribute, which could be added for functional submissions.

05. Footer Section:

- ❖ The footer includes a copyright notice using the `©` symbol and the current year (2025), along with the developer's name.
- ❖ At the end i added my footer with copy-right icon by `©`.

END!
